

New Dimensions for Natural Hazards in Asia: An AOGS-EGU Joint Conference
Programme Overview (Actual May Vary)

Monday, 5 February 2018 Taal Vista Hotel Lake Wing (Lobby)				
06:30 - 16:30	Taal Volcano Field Trip - Advance Booking Required <i>Participants to Gather at Taal Vista Hotel Lobby by 06:15</i>			
16:00 - 19:00	Registration (Foyer Outside Ballroom 2)			
17:30 - 19:00	Welcome Reception (Ballroom 1)			
Tuesday, 6 February 2018 Taal Vista Hotel Lake Wing (Lobby)				
07:30 - 18:00	Registration (Foyer Outside Ballroom 2)			
Room:	Lily-Santan	Ballroom 3	Ballroom 2	Ballroom 1
08:00 - 08:20	Poster Set-up			
08:30 - 10:15	Oral Presentations Theme E: Black swans and grey swan events	Oral Presentations Theme A: Natural hazards in the megacity	Oral Presentations Theme F: Natural hazard communications, warning systems and monitoring programmes	Oral Presentations Theme G: Single Hazard Case Studies
10:15 - 10:45	AM Break (Covered Terrace)			
				Poster Set-up
10:45 - 12:30	Oral Presentations Theme E: Black swans and grey swan events	Oral Presentations Theme A: Natural hazards in the megacity	Oral Presentations Theme F: Natural hazard communications, warning systems and monitoring programmes	Oral Presentations Theme G: Single Hazard Case Studies
12:30 - 13:30	Lunch (Covered Terrace)			
13:30 - 14:20	Breakout Discussion 1: What are the grand challenges for natural hazards research in Asia?	Breakout Discussion 2: Post-event surveys and ethics: How long to wait after a disaster occurs to do a scientific post-event survey?	Breakout Discussion 3: Warning systems: hits and misses; what is needed for effective warning; who should issue a warning?	
14:30 - 15:30		Panel 1: Space-based technologies in Natural Hazards: Research and response	Panel 2: Science and Reinsurance: mutual needs and benefits	
15:30 - 16:00	PM Break (Covered Terrace)			
16:00 - 17:10				Poster Viewing Session: Themes A, E, F, G
17:10 - 18:00	Plenary Talk 1: Taal volcano, natural history and hazard			
18:00 - 18:30				Poster Tear-down
18:00 - 19:30	Dinner (Covered Terrace)			
Wednesday, 7 February 2018 Taal Vista Hotel Lake Wing (Lobby)				
07:30 - 18:00	Registration (Foyer Outside Ballroom 2)			
Room:	Lily-Santan	Ballroom 3	Ballroom 2	Ballroom 1
08:00 - 08:20	Poster Set-up			
08:30 - 10:15	Oral Presentations Theme C: Hazard development under a changing climate	Oral Presentations Theme A: Natural hazards in the megacity	Oral Presentations Theme F: Natural hazard communications, warning systems and monitoring programmes	Oral Presentations Theme D: Multi-hazard interactions (cascades)
10:15 - 10:45	AM Break (Covered Terrace)			
				Poster Set-up
10:45 - 12:30	Oral Presentations Theme B: Transient and long-term effects of catastrophic perturbations	Oral Presentations Theme A: Natural hazards in the megacity	Oral Presentations Theme F: Natural hazard communications, warning systems and monitoring programmes	Oral Presentations Theme D: Multi-hazard interactions (cascades)
12:30 - 13:30	Lunch (Covered Terrace)			
13:30 - 14:20	Breakout Discussion 4: What are the hazards that threaten Asian megacities?	Breakout Discussion 5: How to effectively visualize natural hazards uncertainty for scientists, policy makers and the public: before, during?	Breakout Discussion 6: Are extreme natural hazard events part of an underlying distribution, or outliers: Are black swans grey?	
14:30 - 15:30		Workshop: Challenges of communicating natural hazards through film	Panel 3: Towards achieving synergies between stochastic, deterministic and heuristic approaches to natural hazards research and response	
15:30 - 16:00	PM Break (Covered Terrace)			
16:00 - 17:10				Poster Viewing Session: Themes A, D, F
17:10 - 18:00	Plenary Talk 2: "Natural Hazards in the Philippines: Processes, Events, Mitigation and Policy" Mahar LAGMAY <i>UP Resilience Institute and University of the Philippines Diliman</i>			
18:00 - 18:30				Poster Tear-down
18:00 - 19:30	Dinner (Covered Terrace)			

New Dimensions for Natural Hazards in Asia: An AOGS-EGU Joint Conference
Programme Overview (Actual May Vary)

Thursday 8 February 2018 Taal Vista Hotel Lake Wing (Lobby)				
07:30 - 18:00	Registration (Foyer Outside Ballroom 2)			
Room:	Lily-Santan	Ballroom 3	Ballroom 2	Ballroom 1
08:00 - 08:20	Poster Set-up			
08:30 - 10:15	Oral Presentaitons Theme B: Transient and long-term effects of catastrophic perturbations	Oral Presentations Theme F: Natural hazard communications, warning systems and monitoring programmes	Oral Presentations Theme C: Hazard development under a changing climate	Oral Presentations Theme D: Multi-hazard interactions (cascades)
10:15 - 10:45	AM Break (Covered Terrace)			
				Poster Set-up
10:45 - 12:30	Oral Presentaitons Theme B: Transient and long-term effects of catastrophic perturbations	Oral Presentations Theme A: Natural hazards in the megacity	Oral Presentations Theme C: Hazard development under a changing climate	Oral Presentations Theme G: Single Hazard Case Studies
12:30 - 13:30	Lunch (Covered Terrace)			
13:30 - 14:20	Breakout Discussion 7: Nature-based solutions for hazards in megacities: future or failure?	Breakout Discussion 8: Multihazards: Do scientists, hazard managers, and policy makers take into account multi-hazards, and are their methodologies working?	Breakout Discussion 9: Climate Change: Hazard research in the climate change agenda	
14:30 - 15:30		Workshop/Panel: Publishing natural hazards research	Panel 4: Civil defence and geological disasters: the Philippines perspective	
15:30 - 16:00	PM Break (Covered Terrace)			
16:00 - 17:10				Poster Viewing Session: Themes B, C, D, G
17:10 - 18:00		Plenary Talk 3: "Archeological Evidence of Tsunami Destruction along the Northern Coast of Aceh, Sumatra, Centuries before 2004" Kerry SIEH <i>Nanyang Technological University</i>		
18:00 - 18:30				Poster Tear-down
18:00 - 19:30	Dinner (Covered Terrace)			

Please note: Due to the ongoing situation with the Mayon Volcano, there may be some last minute changes to the programme due to those delegates involved with the volcano response not being able to come to the conference.
