

Memorandum of Understanding

between

The Australian Meteorological and Oceanographic Society (AMOS)

and

The Asia Oceania Geosciences Society (AOGS)

The AOGS and AMOS enter into this agreement to promote collaborations and international opportunities for their members. To that effect, AMOS and AOGS will promote the following activities:

1. Expansion of membership of both organizations through possible joint programs.
2. Exchange of information and possible co-organization of scientific conferences

In recognition of mutual interests and as a means of furthering the common goals and objectives of both organizations, the collaborations are carried out under the following terms:

1. Neither organization shall have any financial obligation to the other.
2. Each organization will offer members of the other organization registration at member rates at its annual meeting.
3. Each organization will offer the other organization a booth at its annual meeting at a rate of at least 50% below the regular exhibit fee.
4. Both organizations will seek to collaborate where appropriate.
5. Both organizations will seek to collaborate between their business offices.
6. Each organization will list the annual meeting of the other organization in its advertisement of upcoming events.

This agreement may be dissolved by either organization at any time with 30 days notice and shall be reviewed every three (3) years.
